SAYS
I find it hard to go out to a restaurant because I'm so busy
Waiting time long drive
I feel lost about new ideas about what is on the marker
THINKS
Cost high prices
thinking for mating the ordering process easier
order anytime and anywhere
DOES
asking friends for ideas that will get them excited about the request
searching
Writing competitor Stores
FEELS
the client is excited to implement the idea
Worrying that the foood is not hot
loss of time
